A Winneath.—A young man, named Harry Gray, who is now engaged as watchman at the Kentucky Locomotive Works, has recently had left him, coulditionally, by a deceased uncle in England, \$200,000.

This gentleman, Mr. Gray, is said to be a very clever fellow—only 24 years of age—already having imberied \$45,000 from his father, which he speak for the hencils of himself and "maniful ingeniesis." His profest del model, knowing his fact habite in air youth, and not knowing his fact habite in air youth, and not knowing his industrious habite not in table, as a Condition of the country of the c

AN OLD Fonces. —An interesting forgery case, that had occupied the Court for wheven days, was decided at Pittsburg on Tuesday. The name of the accumed is Loverton Thomas. He is seventy-five years of age, is wealthy and possessed much induces in Washington County, where he resided. His avaricious propensities led him to misrepresent, and forger, and evept away the property of ane McCorkle, through misrepresentations and forgery. The latter was one of the principal witnesses in the case. The Jury, after an absence of two hours, returned a verdict of guilty.

Bask or Qcisox. —We learn from an authentic source that a Banking institution, under the provisions of the general law, bearing the ubove name, is soon to be opened in this city. The enterprise is to be started under the anaptices of some wealthy gentlemen, titherto residing in the Northern part of the State, who recently visited our eity, and being struck with its size, business and growing importance, at once determined to establish next.
